What Should I Do Now?

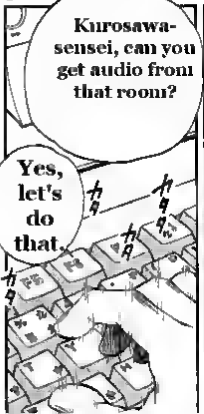
LESSON 33 今なんつった?

Scanned, edited, and translated by The Old Gringo

Removing the costume is a stipulated violation of the exercise rules...
Damn! Oda-san!

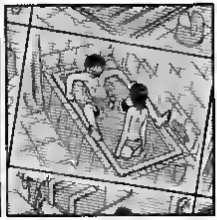
Yoshioka-sensei? Shouldn't we intervene now?

2

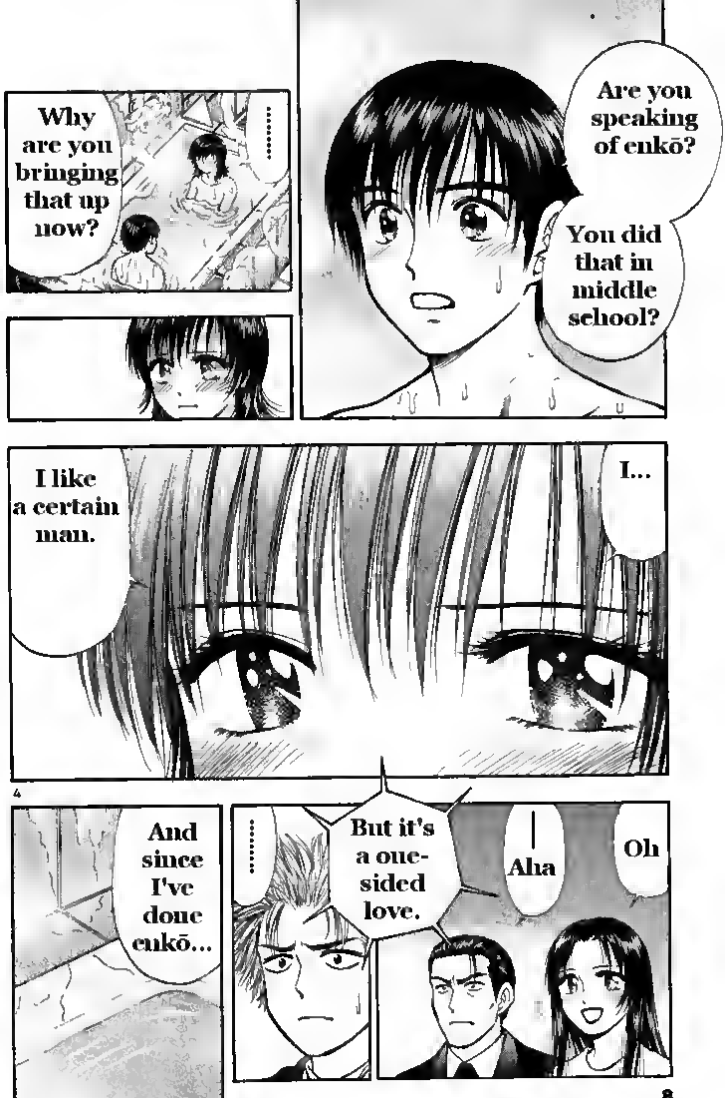


Kurosawa-sensei, can you get audio from that room?
Yes, let's do that.

She still has her bottom on.
No, not yet. Give them a little more time.



What led up to this!?
In any case, cover yourself!!!
かぁ～っ
.....
"Dirty mark" ??
3
It's foolish .....
Excuse me for getting out of line...



Why are you bringing that up now?
.....
Are you speaking of enkō?
You did that in middle school?
I like a certain man.
I...
4
And since I've done enkō...
.....
But it's a one-sided love.
Aha
Oh

I've held back my own feelings all that time.
The last few years... My parents have had problems
Nothing pleasant, I guess.
What you think of my past?
But .....
I took nothing seriously
You must feel I'm polluted by what I've done...
You must hate it.
Thinking of it more and more...

Stop blackening your own name.
I mean ...
Stop it.
A truly polluted person has no regrets.
I guarantee that!
You are not polluted.

!
Sensei...!
イヤ!!!

ムニッ?

Cb-ch-chest!!
O-O-Oda Mari!!
.....
I suppose that in this situation Tanabe-sensei is being rational...
That's not in my playbook, but...
Wasn't that a scary surprise...?
Uh... but...
Shouldn't you be in the baths now?
Eh?
Hey, Nagasawa!!

Uh...
Do you wish to finish with zero points?
You seem to have forgotten the exercise is not finished.
I feel like crap

Once the customer is alone with the girl, the male worker should not intrude.
Get out of sight now!!
It's an ironclad rule: You shouldn't be running into any customers in here!!
Uh...
はう
Should you be yelling at the staff in front of customers?
It's OK, it's OK.
I am very sorry!!
Jeez, what an idiot!
Toilets must be cleaned after each use.
Damn. Such a stupid mistake...
I'm still worried...

...so it goes...
With his mind elsewhere...
Naga-sawa...
What's wrong with that boy?
I can't concen-trate on my work.
It's hope-less.
ず～ん
Hm?

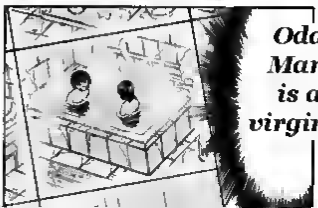
Yes!
I'll handle Haru.
Yoshioka-sensei, you head for Kaede.
12
Could it be...!?
What's changed?
They're really concerned now.
消火栓
Hey!! They're not in that room now!!
Now where was it...!?

How far have they gone?
I see both of them. T
よ!! Good!!
!!
That room...
But Tanabe and Oda Mari...
I see why they left...

Audio, audio...
Hm.
Well, I hope so.
There!! Still soaking in the tub.
14
Oda, how can...
Eh?
How can...
Got it!

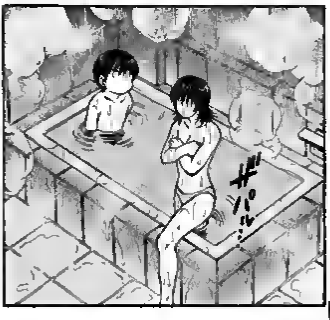
...you are still a virgin!?
How is it that...

Oda...
What!?



Oda Mari is a virgin!?

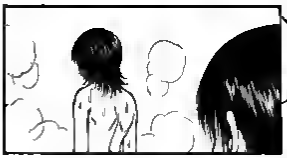
Yes, but that should not matter. I was stealing.
You must be fast on your feet!
I emptied their wallets and ran.
Gone to erotic hotels with old guys...
But you've done enkō...
Oda Mari is a virgin!!
It is required for graduation.
It's still awhile from now, but off-campus training is coming.
Eh?
But what should I do now?
You would fail.....
If you go to a real place
For that...
So, virgins cannot participate?



ザバッ…

Oda……

……



Oda……？

パサッ…

!!

I want to give...
Tanabe-sensei...
my virginity.
